

About Us

Artio Global Investors Inc. became a publicly traded company on the New York Stock Exchange in September 2009 under the ticker symbol "ART". Through its registered investment adviser, Artio Global Management LLC (Artio Global), the firm actively invests in the global equity and fixed income markets and, since 1995 has offered strategies and vehicles to meet the needs of our diverse clientele. The firm is headquartered in New York City with offices in Los Angeles and Toronto.

Artio Global serves both institutional and intermediary clients including some of the world's leading corporations, public and private pension funds, endowments and foundations and major financial institutions. Products offered include separate accounts, commingled vehicles and registered mutual funds.

Artio Global has consistently pursued a global approach to investing. Our focus remains centered on outstanding investment management and top-quality client service. We believe a global perspective across all asset classes provides critical insights in adding value for clients over the long term.

Our stable team of investment and client service professionals is supported by independent third party suppliers of retail distribution and operational support.

By building a dynamic environment in which our professionals can respond to changes in the marketplace, our team seeks to identify and capture value across markets. We believe our creative and unconventional thinking can deliver best-in-class strategies which navigate the complexities of the markets. Our drive for attractive risk-adjusted returns also encompasses a framework of risk management, compliance oversight and monitoring.
